The undersigned requests an interview for the above listed application.

RESPONSE

Applicant have amended all claims, but claim 19 is canceled.

Certain changes were made in the specification. However, no new matter was added. Typos

mentioned in the specification were corrected

Applicants do note, however, that the final action was premature, as substantive issues had not been raised or argued by the Office, or by the applicant. Not every second Office Action need be a Final Office Action.

The patent application is now in condition for allowance.

Please call or fax the undersigned at (301) 603-9071 if you have any questions or comments.

Thank you.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Jonathan E. Grant', is written over the printed name.
